

Hello from Friends-International in Siem Reap We're looking for a **SOCIAL WORKER**

Are you interested in supporting children & youth, their families and their communities to build their futures? Would you like to be learning and developing in an innovative organization and a multicultural team?

If you answered 'yes' then you may just be the person we need.

WE ARE

Friends-International (FI), an award-winning NGO founded in Phnom Penh in 1994. Our vision is a world where every child, young person, and their caregivers are safe from harm and can access education, training and job opportunities to fulfil their potential as productive, functional citizens of their countries. Our multiple dynamic teams in Cambodia, Thailand, Laos, Indonesia, Myanmar and Europe, together with our partners, deliver innovative services for children, youth, their families and their communities. This is done through our Saving Lives, Building Futures and ChildSafe programs which cover a great variety of carefully integrated projects including child protection, migration, harm reduction, education, alternative care, vocational training, social businesses, employment, NGO networks and more!

THE ROLE

As a Social Worker, you will be based in Siem Reap where our Kaliyan Mith program is located. Your role will be provide psychosocial support to children, youth, their families and their communities. This includes providing support to children and youth to get protection, emergency medical care or counseling support. You will also be building strong relationships with the local authorities, networking with NGO partners and working with the communities to ensure that children are safe and taken care of. This is a great opportunity for someone who has Social Work experience and is willing to grow more in providing holistic services to jump on board and start working alongside a multidisciplinary team of Kaliyan Mith Siem Reap counting more than 70 #EverydayHeroes!

Does this describe you?

- You are a dynamic team player who is passionate about working with marginalized children, youth and their families
- You have a strong commitment to work directly with marginalized children & youth and their families
- You have some experience in the field work of social service provision
- You're open to and excited by learning and adapting to new situations
- You can speak/write in English language and use Microsoft Office and Internet

These would be examples of some of your daily responsibilities.

- Doing outreach in the field such as streets, communities, and connecting with those who need medical social services and psychosocial support
- Working together with communities to ensure children and youth are safe from any type of abuse
- Support families and children to safely continue their education and enroll into public schools
- Provision of Life Skills education on topics such as reproductive health, nutrition and parenting
- Providing counselling and psychosocial support to families, children and youths you work with
- Building strong relationships with local authorities, NGO partners, schools to make sure everyone is working together
- Coordinating with the team to make sure action plans are running well for individuals and families through regular information sharing and support
- Keeping track of activities and preparing reports so you can measure and improve the impact of your work

Sounds good! Please email your CV with your Cover Letter and salary expectations now to hr.kaliyanmith@friends-international.org and let us talk more.

In compliance with our Child Protection Policy and Protection against Sexual Exploitation and Abuse Policy, all applicants will undergo an extensive background check.
